Teddy's AAA Steak 101

Steps to creating your delicious steak:

1) Choose the cut that suits you best . . .

***Top Sirloin:** Cut from the lower portion of the ribs. The sirloin is the least tender cut of premium steaks due to minimal marbling.*

***New York:** Otherwise known as the strip steak as it comes from the strip loin. This cut tends to be tenderer as it has medium marbling throughout*

***Rib eye:** For the experienced steak connoisseur. This cut comes from the rib and is the most marbled resulting in a very tender and 'flavorful' steak. The rib eye is said to be the "juiciest of premium steak".*

***Filet Mignon** (French for dainty fillet): This cut is taken from the tenderloin. This is the tenderest and expensive cut of beef as it is the rarest cut to find. Very little marbling.*

2) Choose the size of steak.

All steaks are cut per order and are available from 8oz – 16 oz.

Sirloin 8 oz.\$19.95

New York 8 oz.\$22.95

Rib eye 8 oz......\$23.95

Upsize any of the above by adding \$2/ounce

Filet Mignon 6 oz.\$24.95

3) Choose the temperature that best suits your taste.

Medium: Warm and pink in the centre

Medium Well: Slightly Hot with a faint line of pink in the centre
